Pat,

In the first picture we have 1) Giselle Sanchez with her character “Patty,” a young girl who survived Hurricane Ike in Galveston, TX; 2) Bao Bui with his character “Minh,” a Vietnamese immigrant who came to the U.S. as a child and then was working in NY when the Twin Towers disaster struck; 3) Claudia Moreno with “Tony,” who was a firefighter who helped rescue people from the Twin Towers on 9/11.

In the second picture we have 1) Magali Gastelum with “Alan Armstrong,” son of astronaut Neil Armstrong; 2) Vicky Patel with his character (I’m sorry I don’t remember the name!) who is an Indian immigrant who was inspired to put his turban back on when the U.S. Congress lifted the ban on religious dress in the armed forces
