put one's money where  
one's mouth is 20  
put someone on 81  
put something down to 79  
put something on the  
back burner 4  
put something to use 49  
put the pedal to the metal 73  
put the screws to 57  
putting it mildly 53  
quite a 11  
quite a bit 40  
quite a few 70  
quite a way 35  
raise the roof 8  
rather than 71  
read ( ) the riot act 86  
remains to be seen 16  
right away 24  
right now 41  
risk life and limb 67  
rolling in dough 97  
rough it 35  
rub someone's nose in it 64  
rule the roost 3  
run a light 12  
run for office 45  
run into 74  
run off at the mouth 3  
run out of 10  
run short of 27  
same here 83  
same old, same old 101  
scare to death 10  
screw up 79  
see eye to eye 88  
see fit 70  
see light at the end of the tunnel 1  
see red 91  
see that.... 90  
see the glass as half empty 67

see the light 2  
see to 21  
see what one can do 76  
see you 91  
set aside 31  
set fire to 2  
set in motion 36  
set in one's ways 66  
set up shop 99  
shaping up 15  
shoot one's mouth off 79  
show someone the ropes 16  
sit back 71  
six feet under 95  
skeleton in one's closet 85  
slim pickings 46  
small talk 28  
smart ass 49  
snap someone's head off 101  
snug as a bug in a rug 51  
so as 20  
so help me 5  
so hot 7  
so that 30  
some doing 53  
some time 36  
something else 15  
sooner or later 101  
sort of 6  
sound asleep 80  
sounds like a plan 76  
spare tire 21  
spill the beans 78  
spin yarns 62  
square one 44  
start off on the right foot 41  
stay put 100  
stay the course 75  
step on toes 54  
stick it to 55  
stick one's neck out 47  
still and all 100  
stop on a dime 57  
straight shooter 2

straight talk 9  
straight through 11  
strike up 8  
strong suit 66  
stuck with 5  
suffice it to say 11  
sure of oneself 100  
sure thing 30  
sweep someone off their feet 47  
sweet on someone 68  
swift on the uptake 48  
table manners 69  
take a back seat to 53  
take a header 67  
take a look at 7  
take a spill 25  
take a spin 17  
take a whack at 37  
take advantage of 43  
take care 91  
take into account 43  
take issue with 60  
take it 35  
take it easy 7  
take it for granted 71  
take it from me 61  
take it or leave it 28  
take it out on 69  
take my word for it 22  
take offense 17  
take pity on 65  
take root 36  
take shape 36  
take someone by surprise 72  
take someone seriously 81  
take someone to the cleaners 28  
take someone's place 19  
take something by storm 100  
take something in stride 32  
take steps 26  
take the wind out of one's sails 100  
take up the slack 19  
takes the cake 89  
talk one's way 73

tear someone limb from limb 26  
 teed off 13  
 tell apart 37  
 tell you what 92  
 tempest in a teapot 78  
 thank goodness 30  
 thanks to 14  
 that is 49  
 that way 37  
 that's as it may be 59  
 the be-all and end-all 98  
 the benefit of the doubt 71  
 the better to 59  
 the bottom line 58  
 the end of one's rope 87  
 the fair-haired boy 100  
 the green light 64  
 the jury's still out 34  
 the main drag 97  
 the old days 62  
 the opposite sex 63  
 the other day 68  
 the other night 73  
 the pits 11  
 the real scoop 22  
 the soul of 90  
 the straight goods 52  
 the ticket 44  
 the whole shebang 64  
 then again 45  
 there's no question 55  
 these days 7  
 think a lot of someone 45  
 think highly of 55  
 think twice 68  
 throw a fit 72  
 throw one's hat in the ring 45  
 throw one's weight around 3  
 tickled to death 42  
 tie one on 38  
 time was 88  
 to a fault 69  
 to a man 93  
 to beat hell 11  
 to boot 20  
 to go 51  
 to make matters worse 48  
 to no avail 23  
 to say nothing of 67  
 to say the least 13  
 to spare 53  
 to speak of 18  
 too bad 38  
 top dog 50  
 tramp around 37  
 treat like dirt 48  
 trial and error 34  
 try one's hand 46  
 turn a deaf ear to 66  
 turn over a new leaf 77  
 twist someone's arm 21  
 under one's nose 42  
 up against 48  
 up for 7  
 up in the air 4  
 up on 65  
 up the creek 46  
 up to 7  
 up to 10  
 up to 93  
 up to one's neck 65  
 up to par 25  
 up to the mark 69  
 ups and downs 66  
 used to 2  
 walk on eggshells 66  
 watch it 12  
 watch your step 29  
 wear rose-colored glasses 67  
 weather the storm 57  
 welcome to the club 58  
 wet behind the ears 48  
 wet blanket 67  
 what about 4  
 what do you say 1  
 what gives with someone 77  
 what it takes 49  
 what one says goes 63  
 what the hell 1  
 what the hell 34  
 what with 4  
 what's going on 52  
 what's more 77  
 what's up 59  
 what's with 3  
 what's your take on .... 64  
 when it comes to 14  
 where do you get off 89  
 while you're at it 41  
 why don't 5  
 will do 24  
 wise guy 17  
 with a vengeance 68  
 with an eye to 26  
 within one's means 22  
 within reason 4  
 without question 82  
 won't lift a finger 24  
 work my butt off 7  
 would that 15  
 wouldn't mind 16  
 wrack one's brain 42  
 wrap things up 51  
 yet again 88  
 you bet 92  
 you can't beat 37  
 you can't teach an old  
     dog new tricks 85  
 you never can tell 41  
 you're telling me 92  
 you've got that right 84  
 your wish is my command 90
