

Look It Up and Write It Up  9

Do you like mythology?

Write about a mythological character. Look up information in an encyclopedia or on the internet. Describe the character and their strengths and weaknesses.

Write an essay of about 150 words.

Alternatives:

1. Write a famous story from mythology in your own words.
2. Invent a story about the character you have done research on.

Look It Up and Write It Up  10

Do you like science?

Write about a scientist you admire. Look up information in an encyclopedia or on the internet. Describe their achievements and their life story.

Write a biography of about 150 words.

Alternatives:

1. Write about a discovery or invention and describe its importance.
2. Write about your favorite science and why you like it.
